Dear Richard:

Thank you for supporting Missouri Special Olympics by donating the tapes as prizes for the 2nd Annual Aerobathon to benefit Missouri Special Olympics.

With your support, we were able to raise \$2,037.52 for the 21,000 Special Olympians in Missouri.

The Missouri Special Olympics Aerobathons have become one of our biggest fund-raisers contributing \$43,000 to last year's programs. This year's statewide goal is \$75,000. I look forward to helping Columbia's Aerobathon become one of our biggest...in number of participants and dollars raised!

Thanks for your sincere concern for Special Olympics. I look forward to working with you in the future.

Dear Mr. Housechild:

Thank you for helping us promote Amateur Night at Thomas Kelly's this past Thursday. I was pleasantly surprised by the turnout, and felt that overall the event was very successful.

The proceeds from this event will be used to enhance the programs and services that the Boone County Chapter provides to the community. These programs and services include: disaster relief, service to the armed forces and their families, and health and safety services, such as AIDS education, CPR back injury prevention and first aid.

Again, thank you for helping us with the Amateur Night.

Dear Richard:

Thank you for your support of the Mid-Missouri Media Blood Drive. This special pre-Christmas drive was very important to maintaining a safe and adequate blood supply over the holidays. The drive collected 829 units from 943 people who attended the drive.

Without your help this would have never been possible. Again, many thanks, and best wishes for a joyous holiday season.

Dear Richard:

Thank you so much for your support of the first ever Mash Blood Drive. KFMZ did a great job of advertising the drive and the remote worked great from the drive. I would also like to thank you for getting Pizza Hut and Diet Pepsi to help with the drive. The Mash Drive collected 249 productive units of blood and over 300 people presented. This was great considering we changed the site and shortened the hours.

Red Cross depends on businesses like yours to help support the blood program for hospital patients throughout Mid-Missouri. Again, we wanted to convey our thanks to you for helping out, and look forward to doing it again next year.

Dear Richard:

Thank you for your support of the 1992 Holiday Media Blood Drive. We collected 358 units in Jefferson City and 501 units in Columbia for a record breaking total of 859 units. Both drives ran very smoothly with very little waiting. Donors enjoyed the refreshments and the special Christmas bagged T-shirts.

Many thanks to everyone who contributed to the success of this drive: the Media for their outstanding support, our excellent advisory committee, the Chapter volunteers who made the drive such a pleasant experience for the donors, Candlelighters, Norm Stewart and the MU basketball team, the staff at the Expo Center and Capital Mall, Dominos Pizza, McDonalds, Grolier Telemarketing, Hostess Cakes, Sams Clubs, Boy Scouts of Columbia, Helias and Hickman High Schools among many others too numerous to mention.

You have helped to make the Holiday Season a brighter one for patients in mid-Missouri hospitals.

Dear Richard:

Thank you so much for your support of the KFMZ/National Guard blood drive.
The results are as follows:

We appreciate their dedication to keeping the blood supply at safe levels.

Dear Richard:

Thank you so much for **your participation and the participation of KFMZ Radio in the December Mid-Missouri Media Blood Drive.** As you know the Holiday season can be a particularly difficult time for blood donors - yet the need for blood never takes a holiday.

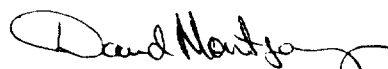

Thousands of lives are saved each month, because blood donors like those who gave at the Mid-Missouri Media blood drives cared enough to give. A blood donation gives the gift of life to a 4-year old child who has leukemia, to a teenager scheduled for a bone marrow transplant, to a heart patient, to an accident victim. Blood recipients are strangers, family, friends and very likely at some point, ourselves.

Blood donors are anonymous to those who receive their gift of life. Although recipients are unable to say thank you face-to-face, their gratitude is deeply felt. These donors have given the gift of life and the opportunity for these patients to share another holiday with loved ones.

Please accept the heartfelt appreciation of every blood recipient. There were 769 units collected over the three days; 235 units in Moberly, 215 in Columbia, and 319 in Jefferson City. We view with gratitude and awe the dedication and loyalty of all who participate in the blood donation program.

Dear KFMZ:

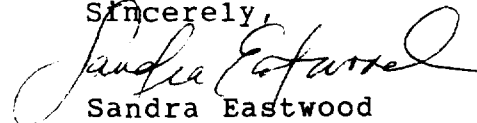

Thank you for your support during the Miss Missouri USA pageant. I enjoyed serving the Columbia community as Miss Columbia USA. Although I did not become Miss Missouri USA, I gained many wonderful friendships and memories. Through the pageant experience, I have heightened my communication skills and achieved personal growth.

I look forward to entering the Miss Missouri USA pageant again this November. I am consulting with a pageant coach, as well as attending the Miss USA pageant on February 19th in Wichita, Kansas.

I will be graduating from the University of Missouri-Columbia Law School in May and am currently working for Marjorie Tarkow, specializing in Employment Law. I look forward to my continued involvement within the Columbia community.

Thank you for your advertising contribution. It enabled me to follow my dreams while representing Columbia. Best of luck with all of your business ventures. Please let me know if I can be of help.

Dear Mr. Hauschild,

On behalf of the Hickman/Rock Bridge All Night Party Committee, thank you for your generous gift. The CD player -- one of the biggest donations we got -- was valuable in keeping our students at the party and off the roads on graduation night.

As you know, a Hickman student was killed many years ago driving from one party to another on graduation night. Local businesses like yours provide much of the incentive to keep the students in one safe place on this memorable night.

Thanks for your gracious participation.

LETTER OF INTRODUCTION

**SUBJECT: 1991 HICKMAN & ROCK BRIDGE HIGH SCHOOL SENIOR
CHEMICAL FREE GRADUATION ALL NIGHT PARTY**

Dear Columbia Merchant:

The parents of 1991 Hickman and Rock Bridge High School graduates are sponsoring a combined all night graduation party. This continues a tradition of over thirty years of such parties initiated by parents, following the graduation night death of a student. This type of activity has become a prototype for such events across the country and was initiated right here in Columbia.

The cost of the party includes prize gifts, entertainment, dance music, decorations, keepsakes and food for a buffet and breakfast. Traditionally, the gifts for prizes are provided through the generosity of Columbia merchants. The other cost are covered by donations from the parents of the graduates.

We invite you to please participate in this very worthwhile and outstanding project. Your prize gift will help assure the success of the 1991 party.

Thank you very much!
